THE BEST OF BOTH WORLDS

Inspired by the dual personalities of the NX - a balance of grace and strength coming from the optimal combination of electric power and fuel.

*Specifications may vary. Please consult with Brand Associate for more information.

RELENTLESSLY EVOLVE

The NX represents the next bold chapter - expressed by a captivating new exterior, modeling large surface units across an enhanced and dynamic framework that has been realized through an all-new vehicle platform.

*Specifications may vary. Please consult with Brand Associate for more information.

NEW SPINDLE CONCEPT

The solid spindle structure has been further developed, aiming to strengthen functionality while creating a strong presence.

NEW EMBLEM DESIGN

The use of the “L” emblem has been replaced by a new, unified LEXUS logo located at the center of the vehicle for stronger identity and easier recognition.

Luxury

F Sport

NEW ALLOY WHEEL

New 20-inch alloy wheels further emphasize the strong presence of the Lexus NX, delivering style and performance.

3-LED HEADLIGHTS

Improved with ultra small LED units, three headlights adorn the front end and create balance with a more subdued impression.

*Specifications may vary. Please consult with Brand Associate for more information.

E-LATCH

TECHNOLOGY

A Lexus first technology innovation replaces the conventional latch/unlatch mechanism of the door with electrical control through switches that deliver smooth door operation and effortless feel.

*Specifications may vary. Please consult with Brand Associate for more information.

TAZUNA

COCKPIT

Derived from the "reins" used to control horses, the Tazuna concept aims to enhance the joy of controlling a car by enabling better communication between the driver and their vehicle.

*Specifications may vary. Please consult with Brand Associate for more information.

IMPROVED DRIVING EXCITEMENT

The balance between linear steering and driving force lets you drive confidently while achieving a greater connection with The All New Lexus NX.

LEXUS DRIVE MODE SELECT

ADAPTIVE VARIABLE SUSPENSION

(Exclusive for F Sport)

TOUCH TRACING SEAMLESS

SHIFT BY WIRE TECHNOLOGY

*Specifications may vary. Please consult with Brand Associate for more information.

INTELLIGENT ASSISTANCE

WITH TOUCH SCREEN CENTER DISPLAY

Discover the difference of the first-ever Lexus Intelligent Assistance through voice command, combined with the immersive 14-inch touch screen center display, to access features like air conditioning, navigation, Apple CarPlay and Android Auto, that can operate seamlessly while on-the-go.

*Specifications may vary. Please consult with Brand Associate for more information.

PANORAMIC GLASS ROOF

Without compromising on head clearance space,
Your driving experience is enhanced with a wide
seamless Glass Roof to add a greater sense of
openness to The All New Lexus NX.

14-THEMATIC INTERIOR AMBIENT ILLUMINATION

(Available with 64 color combinations)

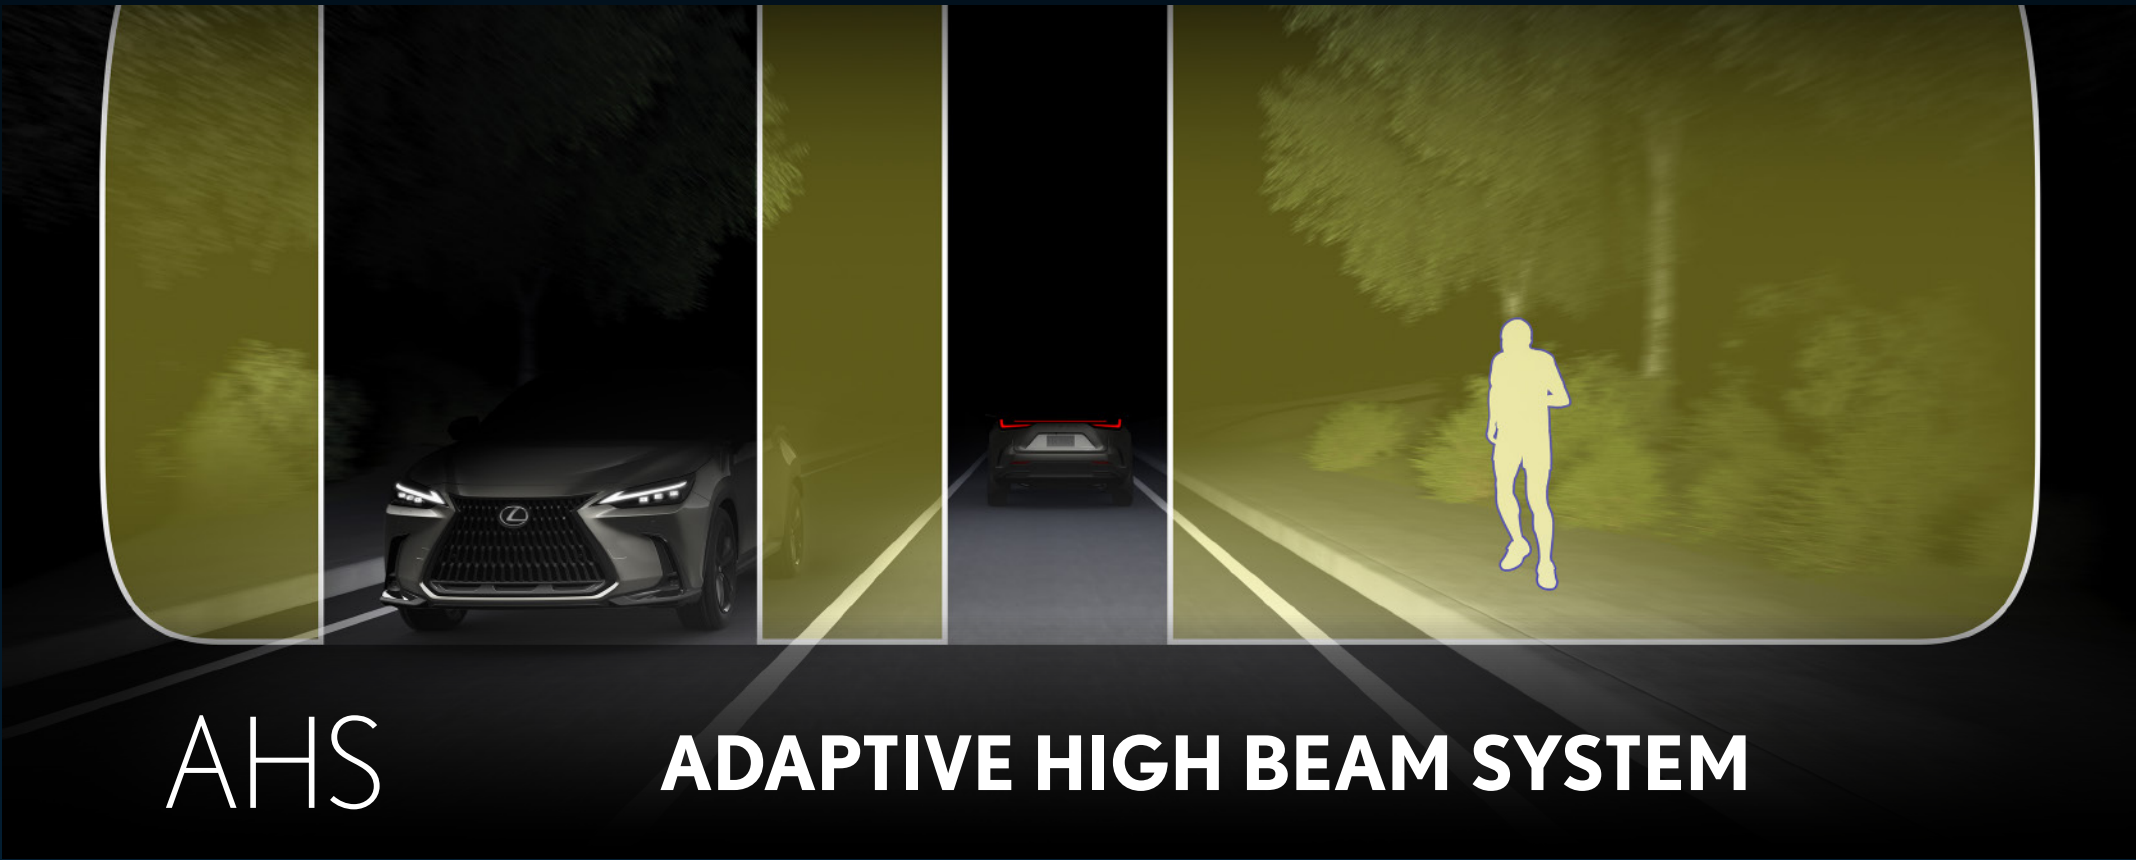

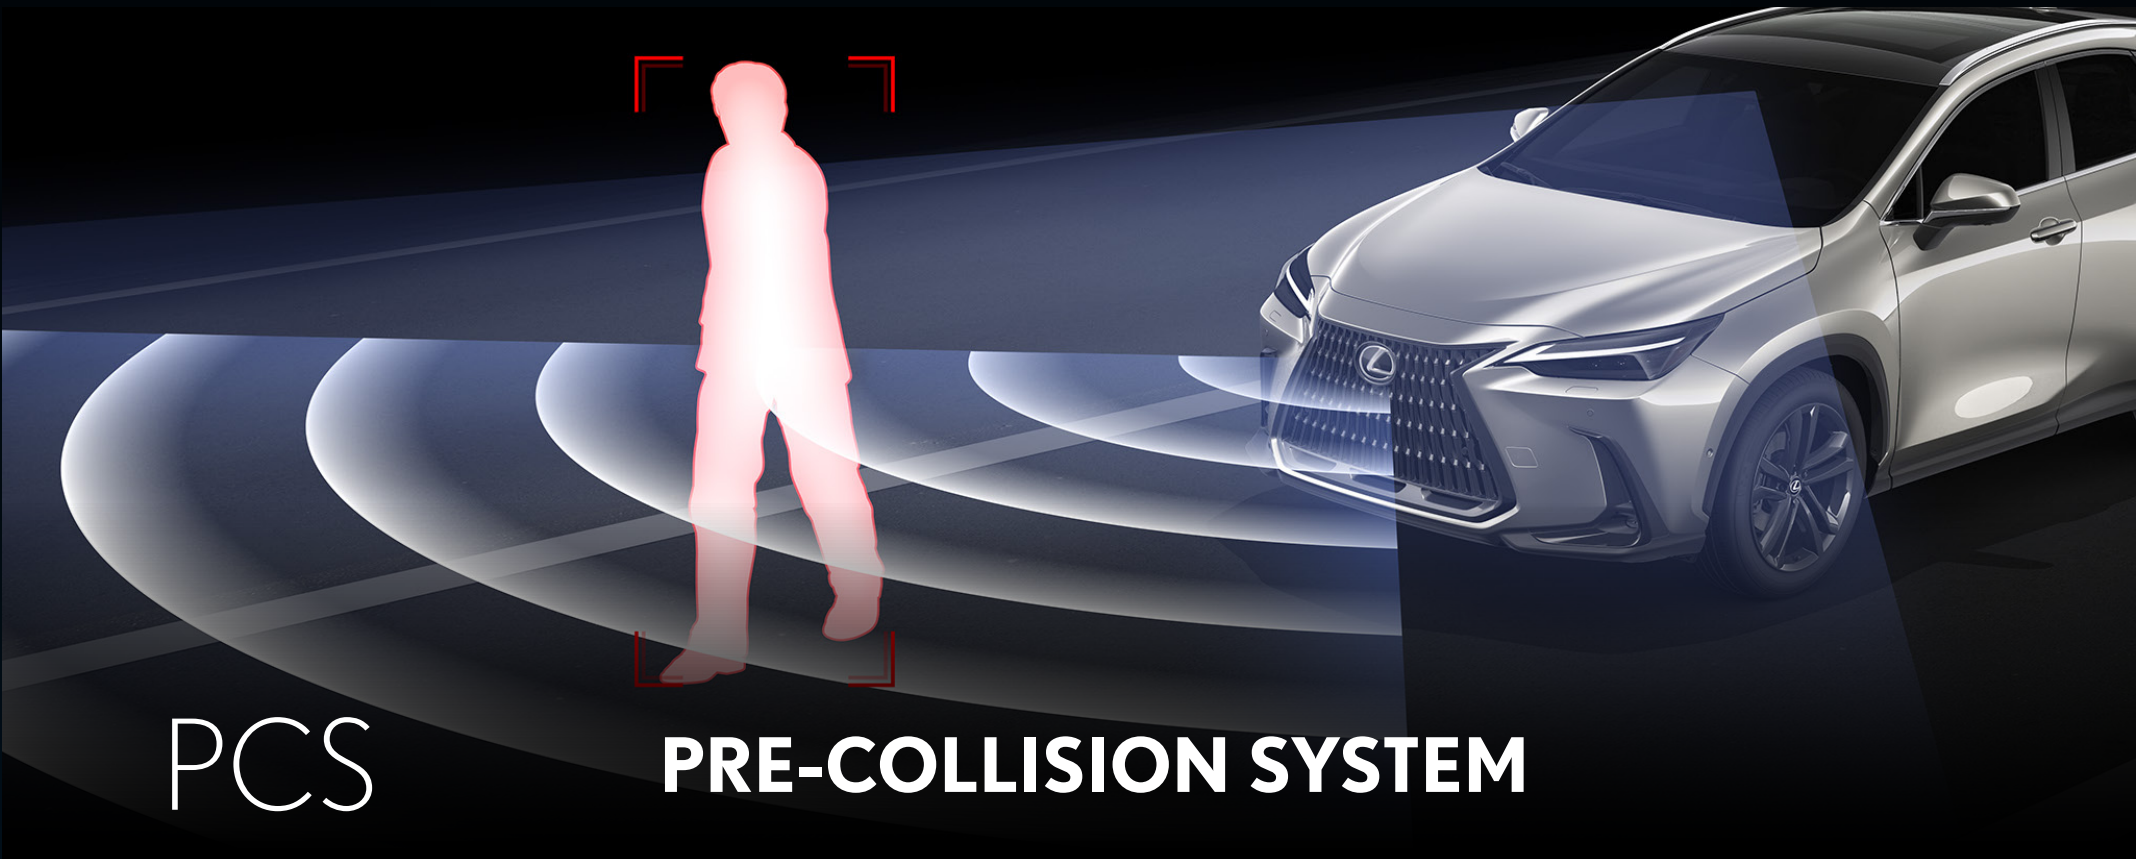

17-SPEAKER MARK LEVINSON AUDIO SYSTEM

*Specifications may vary. Please consult with Brand Associate for more information.

LEXUS SAFETY SYSTEM+

The relentless pursuit of an accident-free world.

*Specifications may vary. Please consult with Brand Associate for more information.

LEXUS ELECTRIFIED

“
**WE’VE MADE THE NX
BOLDER, SLEEKER, AND
MORE DISTINCTIVE**
”

TAKEAKI KATO
NX CHIEF ENGINEER

*Specifications may vary. Please consult with Brand Associate for more information.

LEXUS SELF-CHARGING HYBRID ELECTRIC

The self-charging hybrid system complements the petrol engine to provide exhilarating and responsive performance. Fuel consumption is greatly reduced without any compromise on performance.

*Specifications may vary. Please consult with Brand Associate for more information.

INTRODUCING LEXUS NX PLUG-IN HYBRID

NX
450h+

UNCOMPROMISING PERFORMANCE

Combining a thermally-efficient 2.5-liter inline-four engine, a high-capacity, high-output lithium-ion battery, and front and rear electric motors, the Lexus NX 450h+ is our first-ever plug-in hybrid model providing a class-leading EV range and power for daily driving.

SPECIFICATION

⚡ 304 HP

6.3 Sec Acceleration (0-100 km/h)

2.5 Hours Charge Time (AC)

*Specifications may vary. Please consult with Brand Associate for more information.

NX 450h+ AWD PLUG-IN HYBRID

Boasting more dynamic handling courtesy of an all-new platform with a lower center of gravity, the NX offers new and more powerful engines across the line, including the next breakthrough for Lexus, the first Plug-in Hybrid Electric Vehicle, the NX 450h+ AWD.

The all-wheel drive system offered on the new NX are delivering improved responsiveness.
