LEXUS COLLECTION

Moments in motion

Life isn't made up of grand gestures, it's shaped by the smaller ones. The way you move through the day, the pauses in between, and the rhythm you make. This collection follows that rhythm where every item was made with intention and crafted to feel lived-in, to be part of the way you move, and to last beyond the moment.

BEYOND ONLY LUXURY

At the green beating heart of Lexus, luxury and the love of environment exist in perfect harmony. Guided by our ultimate goal of zero waste, we invite you to explore the Sustainability Product, where sustainability meets everyday luxury.

As you browse through our selection, look for this special Sustainability Product icon  that marks products which have been crafted with the environment in mind. Our Sustainability Product includes sustainable materials as diverse as recycled polyester resin, reclaimed waste fishing from marine and innovative crafted leather made of cactus, allowing us to reduce carbon footprint while preserving the signature of making luxury personal.
